Health and Wellness Applications*

DATA SHEET: VALERIAN ROOT OIL POWDER

Botanical Innovations unique VALERIAN ROOT ESSENTIAL OIL POWDER contains 50% essential oil with a carrier. This is unique aromatic fine powder versatile product for a variety of nutraceutical, flavouring and cosmeceutal applications.

Botanical Name and Family: Valeriana officinalis, Caprifoliaceae (honeysuckle) family.

CAS: 8008-88-6

Description: 50% VALERIAN ROOT Essential Oil 50% Modified Starch

Extraction Process: Valerian Root Oil is primarily obtained through steam distillation of the dried roots and rhizomes of the Valeriana officinalis plant. The distillation process captures the essential oil from these plant parts.

Characteristics: Valerian Root Oil Powder has a strong, earthy, and musky aroma. The scent is often described as potent, grounding, and reminiscent of the root itself.

Active Compounds: The main active compounds in Valerian Root Oil include valerenic acid, valeranone, and various other sesquiterpenes. These compounds are believed to contribute to the oil's potential sedative and relaxing effects.

Valeriana officinalis is a perennial flowering plant native to Europe and certain parts of Asia. It has fern-like leaves and produces small, fragrant white or pink flowers. The plant grows up to 1 meter in height and has a strong, earthy scent.

Traditional Uses: Valerian has a long history of traditional use as a herbal remedy for various conditions. Valerian root has been used for its potential calming and sedative effects. It has been traditionally used to promote relaxation, support healthy sleep, and alleviate symptoms of anxiety and stress.

Commercial Uses: Valerian Root Oil Powder is primarily used in the herbal and dietary supplement industry. It is used as an ingredient in natural sleep aids, calming herbal formulations, and relaxation blends. Valerian Root Oil is also used as a flavoring agent in certain food and beverage products, although it is less common.

Aromatherapy Uses: In aromatherapy, Valerian Root Oil Powder is known for its calming and soothing properties. It is believed to help reduce nervous tension, promote relaxation, and support restful sleep. Valerian Root Oil is often used in diffusers, inhalation, or massage blends to create a peaceful and tranquil atmosphere. The information provided is for educational purposes only.

Minimum order quantities apply.
